

YOU NEED THIS!

HERE'S WHY YOU NEED PARISH RICE IN YOUR STORE

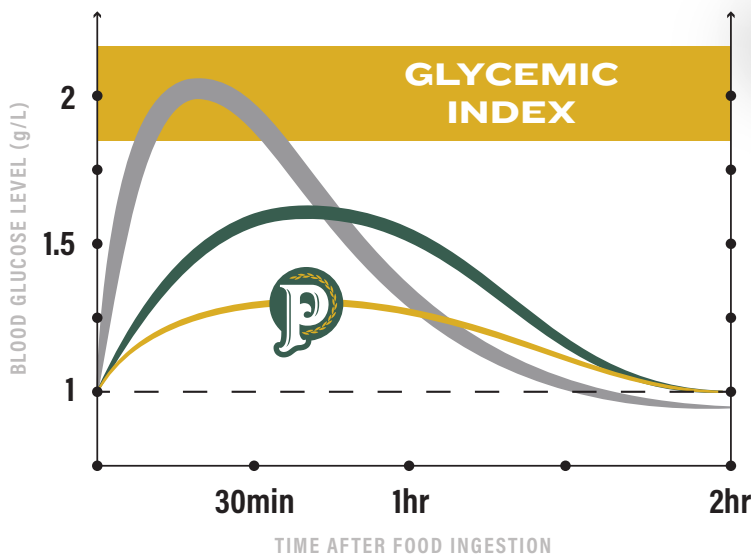

1. *Parish Rice is a high-quality, Louisiana-harvested (Long Grain White Rice) that does more than taste good - with added health benefits not found in other consumer rice brands and is just as easy to prepare.*
2. *Parish Rice is perfect for those trying to eat healthier while still enjoying their current lifestyle. Whether they have health concerns, such as diabetes, are an athlete in training, or just want to feel better about what they're eating, Parish Rice is the perfect choice for your customers.*
3. *Your customers want it. With a growing demand for healthier, sustainable products, consumers like me are seeking out better ways to feed their families and themselves. Parish provides a good source of protein, in addition to helping diabetics manage their blood sugar.*
4. *Parish Rice has 53% More Protein, a Low Glycemic Index Value, is Non-GMO, and grown in the USA by a second generation Louisiana rice farmer.*
